Independent Auditor's Report

Board of Commissioners
Housing Authority of the Town of Stratford

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the business-type activities of the Housing Authority of the Town of Stratford, as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the Housing Authority of the Town of Stratford's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the business-type activities of the Housing Authority of the Town of Stratford as of December 31, 2024, and the respective changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Housing Authority of the Town of Stratford, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the Town of Stratford's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the Town of Stratford's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the Town of Stratford's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis on pages 1 - 6 and supplemental pension and OPEB information beginning on page 24 are presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Housing Authority of the Town of Stratford's basic financial statements. The CHFA Supplemental HM Forms as required by the Connecticut Housing Finance Authority, the Financial Data Schedules required by Uniform Financial Reporting Standards issued by the U.S. Department of Housing and Urban Development and the Schedule of Expenditures of Federal Awards, as required by the audit requirements of Title 2 U.S. Code of

Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* Uniform Guidance, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the CHFA Supplemental HM Forms, the Financial Data Schedule, and the Schedule of Expenditures of Federal Awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 10, 2025 on our consideration of Housing Authority of the Town of Stratford's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Authority of the Town of Stratford's internal control over financial reporting and compliance.

**HOUSING AUTHORITY OF THE TOWN OF STRATFORD
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
FOR THE YEAR ENDED DECEMBER 31, 2024**

As management of the Stratford Housing Authority (the Authority), we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended December 31, 2024. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements.

FINANCIAL HIGHLIGHTS

- The assets of the Authority exceeded its liabilities at the close of the most recent fiscal year by \$22,347,738..
- The net assets of the Authority consisted of Invested in Capital Assets in the amount of \$12,315,642 and Unrestricted Net Assets in the amount of \$11,541,550.
- The Authority's cash and investments at December 31, 2024 was \$14,773,478 representing an increase of \$720,946 from December 31, 2023.
- The Authority had intergovernmental revenues of \$6,057,923, program revenues and other revenues/recoveries of \$4,897,338 and program expenses (exclusive of depreciation expense) of \$9,590,454 for the year ended December 31, 2024.
- The Authority's capital contributions for the year were \$640,158.

OVERVIEW OF THE STRATFORD HOUSING AUTHORITY

The Stratford Housing Authority was created in 1943 to provide and promote safe and sanitary housing for low-income persons residing in Stratford, CT. The Authority is a quasi public corporation located in Stratford, CT as was established under Section 8-40 of the Connecticut State Statutes.

OVERVIEW OF THE FINANCIAL STATEMENTS

The Stratford Housing Authority's financial statements consist of two parts:

1) Management discussion analysis which is intended to serve as an introduction to the Authority's basic financial statements, and 2) the Authority's basic financial statements which are comprised of two components: a) government-wide financial statements and b) notes to the financial statements. This report also contains the schedule of expenditures of federal awards as supplementary information in addition to the basic financial statements themselves.

The Authority is considered by accounting principles generally accepted in the United States of America (GAAP) to be a special purpose government accounted for as enterprise funds. Its chartered purpose is the housing of low and moderate income families and elderly individuals. All of the activities, programs and grants administered by the Authority are focused for that purpose.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A) (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2024**

As a single purpose enterprise fund government, the Authority is permitted to issue combined entity level and fund level financial statements. These statements report financial information for each of the Authority's funds and a combined total of all funds that represents the Authority wide financial position.

The government-wide financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business. The following is a brief description of each financial statement:

Statement of Net Assets

- The statement of net assets is prepared using the accrual basis of accounting and provides information relating to all financial and capital resources for the Authority as of the reporting date and related debts and other liabilities. The balance sheet is presented in a format where assets equal liabilities plus net assets. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (*convertible into cash within one year*), and "Non-current".
- Net assets (formerly equity) represent the cumulative effect of revenue and expenses. It is also the difference between assets and liabilities. Net assets are reported in three broad categories:

Unrestricted Net Assets are designed to represent the net available liquid (non-capital) assets, net of liabilities, for the entire Authority.

Net Assets, Invested in Capital Assets, Net of Related Debt consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowing that are attributable to the acquisition, construction, or improvement of those assets.

Restricted Net Assets consists of restricted assets, when constraints are placed on the assets by creditors, grantors, contributors, laws, regulations, etc.

Statement of Revenue, Expenses and Changes in Fund Net Assets

- This statement is similar to an Income Statement. It includes operating revenues, such as rental income, operating expenses, such as administrative, utilities, maintenance and depreciation. Non-Operating revenue and expenses, such as grant revenue, investment income and interest expense and capital contributions and operating transfers.
- The focus of this Statement of Revenues, Expenses and Changes in Fund Net Assets is the "Change in Net Assets", which is similar to Net Income or Loss.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A) (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2024**

Statement of Cash Flows

- A statement of cash flows shows the sources and amounts from which the Authority received cash; such as, income from tenants, income from grants, loans, etc. and the items and amounts for which cash was used; such as, payments to vendors and contractors, payments to employees, repayment of loans etc. The statement is divided into four major sections: operating activities, non-capital financing activities, capital and related financing activities and investing activities. The statement factors down to the net increase or decrease in the Authority's cash accounts for the reporting period.

Authority Funds

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Authority, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Business Type Funds – All of the Authority's funds are business type funds, which are also called enterprise funds. The Authority has one major fund. There are no non-major funds.

Low and Moderate Rent Public Housing – This is used to account for all activities relating to the leasing and operation of apartments in buildings that were constructed and are owned by the Authority. These units are rented to low income families and low income elderly, disabled, and special needs individuals. The properties were constructed with grants and or loans provided by the U.S. Department of Housing and Urban Development (HUD) or the Department of Economic and Community Development (DECD). The Authority receives grants from HUD to subsidize operating deficits. The Authority's state portfolio is monitored by the Connecticut Housing Finance Authority (CHFA) and the Department of Housing (DOH). Tenants are charged rents based on a percentage of their income.

The Authority receives grants from HUD, DOH and CHFA that support the properties of the tenants that are served by the program. The major grant programs that support the funds are:

- HUD Capital Fund Grants – a grant program funded by HUD for improvements to properties owned by the Authority.
- State Modernization Grants – a grant program funded by CHFA and/or DOH for improvement to properties owned by the Authority.

Low Rent Leased Housing – This is used to account for leasing activities of properties that are not owned by the Authority. The Authority administers contracts with independent landlords that own property. The Authority subsidizes the family's rent through a Housing Assistance Payment made to the landlord. The funds for these payments are provided by program grants provided by HUD. The Authority also receives an administrative fee, which is part of the grant that supports the administration of the program.

AN OVERVIEW OF THE AUTHORITY – WIDE FINANCIAL POSITION AND OPERATIONS

The Authority's overall financial position and operations for the past two years are summarized below based on the information included in the current and prior financial statements. Fiscal year 2004 was the first year of implementation of Governmental Accounting Standards Board (GASB) Statement #34.

The Authority's total assets at December 31, 2024 were \$22,347,738 an increase of \$738,498 from December 31, 2023. A portion of this increase is related to current and capital assets.

The Authority's overall financial position and results of operations are presented at the end of this report.

CAPITAL ASSETS

As of December 31, 2024, the Authority's investment in capital assets was \$10,540,079 (net of accumulated depreciation). This investment in capital assets includes buildings, improvements, equipment, and computer software.

Major capital asset purchases during the current fiscal year include the following:

- Capital expenditures of \$407,526.31 were made for new stairs, balconies, bathroom and kitchen renovations, and paving at the Authority's federal elderly developments and lighting at the Authority's family public housing units, as well as purchasing a new truck for the maintenance department.

ECONOMIC FACTORS AFFECTING NEXT YEAR'S BUDGET

The following factors were considered in preparing the Authority's budget for the 2024 fiscal year:

- Administrative Fee Subsidies for the Housing Choice Voucher (HCV) program are expected to increase from the 91% proration received in 2024. It is anticipated that the actual proration for 2025 will be between 92-95%.
- Operating subsidies for the HUD Low Rent Program were funded at 93.02% and 97.12% for 2024. The prorated funding for 2025 is expected to be about \$102.58%.
- Increased costs of Employer Health Insurance, Employer Retirement Contributions, Workers Compensation, Fire/Liability Insurance and Utilities continue to rise.

FUTURE EVENTS THAT MAY FINANCIALLY IMPACT THE AUTHORITY

Projected funding cuts during the next fiscal year by the U.S. Department of Housing and Urban Development (HUD) along with sharp cost increases will have an impact on housing in the future.

HOUSING AUTHORITY OF THE TOWN OF STRATFORD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of the Housing Authority of the Town of Stratford (the Authority) is presented to assist in understanding the Authority's financial statements. The financial statements and notes are representations of the Authority's management, who are responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Reporting Entity

The Authority was created pursuant to Section 8-40 of the Connecticut General Statutes. The Authority has contracted with the Federal Government, acting through the Department of Housing and Urban Development (HUD), for financial assistance of Housing Choice Vouchers and Federal Operating Subsidy pursuant to the United States Housing Act of 1937, as amended. The Authority has also contracted the State of Connecticut Department of Community Development (DECD) and Department of Housing (DOH) for financial assistance for elderly and moderate rental projects in the form of capital grants pursuant to Section 8-70 and 8-114a of the Connecticut General Statutes. As such, the Authority has entered into annual contribution contracts with the U.S. Department of Housing and Urban Development ("HUD") to be the administrator of the housing and housing related programs described herein. The Authority is not subject to Federal or State income taxes and is not required to file Federal or State income tax returns.

The Authority's combined financial statements include the accounts of all the Authority's operations. The criteria for including organizations as component units within the reporting entity, as set forth in GASB's Codification of Governmental Accounting and Financial Reporting Standards, include whether:

- the organization is legally separate (can sue and be sued in their own name)
- the Authority holds the corporate powers of the organization
- the Authority appoints a voting majority of the organization's Board
- the Authority is able to impose its will on the organization
- the organization has the potential to impose a financial benefit/burden on the Authority
- there is fiscal dependency by the organization on the Authority

Blended component units are separate legal entities that meet the component unit criteria described above and whose governing body is the same or substantially the same as the Authority's Board of Commissioners or the component unit provides services entirely to the Authority. These component units' funds are blended into those of the Authority's by appropriate activity type to compose the primary government presentation. Discretely presented component units are separate legal entities that meet the component unit criteria but do not meet the criteria for blending.

Based on the aforementioned criteria, the Authority is not a component unit of the city, nor does it include any component units.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the reported amounts of revenues and expenses used during the reporting period. Actual results could differ from those estimates. Significant estimates include the economic lives of capital assets.

HOUSING AUTHORITY OF THE TOWN OF STRATFORD
NOTES TO THE FINANCIAL STATEMENTS (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

The Authority's funds are accounted for on the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. With this measurement focus, all assets and all liabilities associated with the operation are included on the Statement of Net Position.

Operating Revenue includes rental income, operating grants and all other revenue relating to the provision of safe, decent, and affordable housing that do not result from transactions defined as capital related financing, non-capital and related financing, or investing activities. Operating expenses include wages, housing assistance payments, utilities, maintenance, depreciation, and all other expenses relating to the provision of safe, decent, and affordable housing that do not result from transactions defined as capital related financing, non-capital and related financing, or investing activities.

In addition, the Authority receives capital grants from HUD to be used for various purposes connected with the planning, modernization, and expansion of housing facilities and equipment. Receipts used for non-capitalizable costs are reported as operating revenue and receipts used for capitalization costs are reported as capital contributions.

The Authority has elected to report as a single enterprise proprietary fund and its primary operations consist of housing and grant programs as follows:

- The ***Housing Choice Voucher Program*** provides rental housing assistance to serve up to 285 housing units, of which, 30 units are currently administered as Project Based Vouchers (PBV) under a HAP contract, including 25 units owned by the Authority. The purpose of the program is to provide decent and affordable housing to low-income families and elderly and handicapped persons wherein rental assistance is provided by HUD. The associated units are owned, maintained, and managed by private landlords.
- The ***Public Housing Program*** operates under HUD's Annual Contribution Contract and consists of the operations of low rent public housing properties totaling 301 units. The purpose of the program is to provide decent and affordable housing to low-income families at reduced rents.
- The ***Capital Fund Program*** accounts for the capital and management improvement activities, primarily for the modernization and development of low-rent public housing units.
- The ***State/Local Programs*** consist of the operations of low rent public housing properties totaling 113 units of State Elderly Housing and 100 units of State Moderate Rental Program under contract with the State of Connecticut Department of Housing.

The financial statements of the Authority are prepared in accordance with U.S. generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations).

The financial statements include:

1. A Management Discussion and Analysis (MD&A) section providing an analysis of the Authority's overall financial position and results of operations.
2. Financial statements prepared using full accrual accounting for all of the Authority's activities.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Cash and Cash Equivalents

Cash and cash equivalents represent cash in checking accounts, demand deposits, money market funds or short-term investments with original maturities of three months or less.

Accounts Receivable

Management periodically assesses the collectability of its receivables and establishes an allowance for uncollectible accounts for all accounts it deems uncollectible. Currently, the allowance established for tenant receivables and other receivables is \$193,474 and \$17,928, respectively.

Capital Assets

Land, buildings, and equipment are stated at cost and depreciated over their estimated useful lives. The capitalization threshold is \$5,000. Donated assets are recorded at estimated market value as of the date of the donation. Construction in progress costs are not depreciated until the corresponding projects are completed.

Depreciation has been provided over the following useful lives using the straight-line method of depreciation as follows:

Building and Improvements	15 to 40 years
Machinery and Equipment	3 to 10 years
Vehicles	5 years

Leases

The Authority's leases consist of leases of apartments to tenants reported as rental income and equipment reported as operating expenses. Substantially all the Authority's carrying balance in depreciable Capital Assets is leased to tenants in the form of operating leases. All operating leases are for a term of one year and cancelable upon sufficient notice.

Compensated Absences

Employees accumulate vacation and sick days for subsequent use or payment upon termination. Compensated absences are accrued when incurred and reported as a liability until paid.

Deferred Outflows and Inflows of Resources

Deferred outflows of resources represent a consumption of net position that applies to future periods that will be recognized as an expense in future periods. Deferred inflows of resources represent an acquisition of net position of fund balance that applies to future periods and will be recognized as revenue, or a reduction in expense, in future periods.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Connecticut Municipal Employee Retirement System (CMERS) pension plan and additions to/deductions from CMERS's fiduciary net position have been determined on the same basis as they are reported by CMERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms.

Other Post-Employment Benefits (OPEB)

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, have been determined on the same basis as the Authority's Other Postemployment Benefits Plan (OPEB plan). For this purpose, the OPEB plan recognizes benefit payments when due and payable in accordance with the benefit terms.

NOTES TO THE FINANCIAL STATEMENTS (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2024**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Equity Classifications

Equity is classified as net position and displayed in three components in the Statement of Net Position.

Net Investment in Capital Assets consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bond mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. The Authority has no related debt.

Restricted consist of residual funding with constraints placed on the use either by (1) external groups such as creditors, grantors, contributions, or laws or regulations or other governments; or (2) law through constitutional provisions or enabling legislation. The Authority's restricted net position consists of unspent HCV HAP funding provided by HUD and certain other federal grants restricted as to purpose.

Unrestricted consists of all other residual funding that do not meet the definition of restricted or Net Investment in Capital Assets.

Use of Restricted Funds

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

NOTE 2 – DEPOSITS

Custodial Credit Risk for Deposits

The Authority maintains cash with FDIC depository banks. Additional protection against loss is provided for deposits in excess of FDIC insurance under Chapter 656 of the Connecticut General Statutes. The Statutes require every qualified public depository to maintain segregated collateral equal to at least ten percent of the average of the public deposits. Such additional protection is limited to the segregated collateral available. At times, these balances may exceed the Federal insurance limits; however, the Authority has not experienced any losses with respect to its bank balances in excess of government provided insurance. In addition, such balances are fully collateralized through agreements with the financial institution in the entity's name. Management believes that no significant concentration of credit risk exists with respect to these cash balances as of December 31, 2024.

The breakdown of restrictions on deposits reported as of December 31, 2024 is as follows:

<u>Restrictions on Deposits and Investments</u>	
Deposits	
Housing Assistance Payments	\$ 759
Tenant Security Deposits	201,120
Total Restricted Cash	<u>\$ 201,879</u>

NOTE 5 – LONG TERM DEBT

CHFA First Mortgage

The Authority obtained financing from CHFA to support the SSHP renovation at Shiloh Gardens. The mortgage loan has a maximum amount of \$1,850,000 and is secured by the property. Payments of interest only, at a rate of 5.73% are due through the 24-month construction period. Upon conversion to permanent, the loan requires monthly payments of principal and interest, amortized over a 30-year period and due at maturity on February 1, 2055.

CHFA Additional Loan

The Authority obtained additional financing from CHFA in the maximum amount of \$100,000 and is secured by the property. The loan is non-amortizing, second in priority, and has a 0% interest rate. Payments equal to 20% of surplus cash are due annually, with the entire unpaid balance due at maturity on February 1, 2055.

NOTE 6 – OTHER POST-EMPLOYMENT BENEFITS

Plan Description

The Authority provides postemployment benefits to Authority retirees and their covered dependents. The plan, a defined benefit OPEB plan, is a single-employer plan administered by the Authority. The plan provides benefits for any non-union employee hired prior to January 1, 2006, who has at least 25 years of service with the Authority and any bargaining unit employee, hired prior to January 1, 2006, who has at least 25 years of service with the Authority and is at least 55 years old. The plan is closed to employees hired after January 1, 2006. The Authority contributes the full medical and dental premium for non-union retirees. Retirees must contribute 50% of their spouse's portion of the premium. Union retirees are required to contribute 17% of the pre-Medicare premium for themselves and their spouses. Medicare supplement plan/coverage for union retirees is paid for by the Authority but the retired employee continues to pay the applicable copay. Dental insurance is not offered to union retirees. Medical coverage continues to the spouse after death of the retiree provided the spouse makes the required contributions. As of the January 1, 2023 valuation, there were six (6) active employees who may be eligible in the future and four (4) retired employees who are receiving benefits. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB statement 75.

NOTE 6 – OTHER POST-EMPLOYMENT BENEFITS (CONT'D)

Funding Policy

The contribution requirements of plan members and the Authority are established and may be amended through Authority policies. The Authority is not required by law or contractual agreement to provide funding for the Plan other than the pay-as-you-go amount necessary to provide current benefits to retirees and eligible beneficiaries/dependents. For the fiscal year ended December 31, 2024, the Authority paid \$44,043 on behalf of the Plan.

Actuarial Methods and Assumptions

The total OPEB liability was determined by an actuarial valuation as of January 1, 2023, using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.50%
Salary Increases	3.00% annually
Discount Rate	4.00%
Healthcare Trend Rates	5.00%

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. Additional disclosures concerning an actuarial valuation include:

- Actuarial valuations are based on estimates that are likely to change over time.
- Actuarial calculations are long-term in nature, and techniques are used to reduce the short-term volatility of actuarial accrued liabilities and the actuarial valuation of assets.

Mortality rates were based on the PubG-2010 mortality table with generational scale MP-2020.

Sensitivity of the Net OPEB Liability to changes in the Healthcare Trend Rates

The following presents the net OPEB liability of the Authority, as well as what the net OPEB liability would be if it were calculated using healthcare cost trend rate that are 1-percentage-point lower or 1-percentage point higher than the current healthcare cost trend rates:

	Decrease 1%	Baseline Trend	Increase 1%
Net OPEB Liability (Asset)	<u>\$ 1,431,314</u>	<u>\$ 1,726,090</u>	<u>\$ 1,980,900</u>

Discount Rate

As of December 31, 2024, the Discount Rate was 4.00%, no change from December 31, 2023. The discount rate is based on the S&P Municipal Bond 20-Year High Grade Index (SAPIHG)

Key assumptions changed since the prior actuarial valuation as follows:

The discount rate was updated from 2.25% at the beginning of the fiscal year to 4.00% at the end of the fiscal year.

Assumptions for future increases in healthcare costs were modified using the Getzen model to reflect higher costs in the near-term.

OPEB Expense and Deferred Outflows and Inflows of Resources Related to OPEB

For the year ended December 31, 2024, the Authority recognized OPEB expense of \$198,108. As of December 31, 2024, the Authority reported deferred outflows of resources and deferred inflows of resources related to the OPEB plan as follows:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between Expected and Actual Experience	\$ 496,350	\$ -
Differences between Projected and Actual Investment Earnings	-	-
Changes of Assumptions	164,411	286,334

HOUSING AUTHORITY OF THE TOWN OF STRATFORD
NOTES TO THE FINANCIAL STATEMENTS (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2024

NOTE 7 – RETIREMENT PLAN

Plan Description

The Authority is a member of a multiple-employer public retirement system established by the State of Connecticut and administered by the Connecticut Retirement Commission to provide retirement benefits for participating municipalities. Municipalities may designate which departments (including elective officers if so specified) are to be covered under CMERS. This designation may be the result of collective bargaining. Only employees covered under the State Teachers' Retirement System may not be included. There are no minimum age or service requirements. Membership is mandatory for all regular full-time employees of participating departments Chapter 113 Part II of the General Statutes of Connecticut, which can be amended by legislative action, establishes benefits, contribution rates, and other plan provisions. The State Treasurer is responsible for investing CMERS funds for the exclusive benefit of CMERS members. CMERS is considered to be a part of the State of Connecticut financial reporting entity and is included in the State's financial reports as a pension trust fund. Those reports may be obtained by writing to the State of Connecticut, Office of the State Comptroller, 55 Elm Street, Hartford, CT 06106 or by calling 860-702-3500.

Benefits Provided

The plan provides retirement, disability, and death benefits as defined in the Statutes. The retirement benefit is 2% of average final compensation, times years of service for members not covered by social security. The benefit for members covered by social security is 1 ½% of the average final compensation not in excess of the year's breakpoint plus 2% of average final compensation in excess of the year's breakpoint, times years of service. Employees are eligible to retire at age 55 with 5 years of continuous active service, or 15 years of active non-continuous aggregate service. Employees under the age of 55 are eligible to retire with 25 years of service under certain conditions. Employees can retire early after 5 years of continuous or 15 years of active aggregate service. The benefit can either be deferred to normal retirement age, or an actuarially reduced allowance may begin at the time of separation. Long term disability benefits are calculated based on compensation and service to the date of the disability with a minimum benefit of 50% of compensation at the time of the disability. Pre-retirement death benefits are available in the form of a lump sum return of contributions with interest or surviving spouse benefit depending on length of service.

Contributions

The contribution requirements of the Authority are established and may be amended by the State Retirement Commission. Employees covered by social security are required by State Statute to contribute 5.25% of compensation up to the social security taxable wage base, plus 5% of compensation in excess of such base. Employees not covered by social security are required to contribute 5% of earnings. As of December 31, 2024, the Authority is required to contribute 16.68% of earnings. The total contribution is based on 21.93% of gross earnings. Contributions to the pension plan from the Authority totaled \$255,458 for the year ended December 31, 2024.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

As of December 31, 2024, the Authority reported a net pension liability of \$2,050,834. The total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2024. The Authority's proportion of the net pension liability was based on a projection of the Authority's long-term share of contributions to the pension plan relative to the projected contributions, actuarially determined. As of June 30, 2024, the Authority's proportion was 0.4891%, which represents a decrease of 0.0007% from June 30, 2023.

NOTE 7 – RETIREMENT PLAN (CONT'D)

For the year ended December 31, 2024 the Authority recognized pension expense of \$303,080. As of December 31, 2024, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between Expected and Actual Experience	\$ 133,596	\$ 37,041
Differences between Projected and Actual Investment Earnings	-	-
Changes in Assumptions	155,454	-

Contributions Made after Measurement Date	131,145	-
	<u>\$ 447,286</u>	<u>\$ 143,102</u>

\$131,145 reported as deferred outflows of resources related to pensions resulting from the Authority's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended	
2025	\$ 35,115
2026	192,475
2027	(28,200)
2028	(28,627)
2029	2,276
Thereafter	-

Actuarial Assumptions

The actuarial assumptions used in the June 30, 2024 valuation were based on the results of an actuarial experience study for the period July 1, 2017 - June 30, 2012. The total pension liability reported on the June 30, 2024 measurement date was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.50%
Salary Increases	3.00 - 9.50%, including inflation
Investment Rate of Return	7.00%, net of pension plan investment expense, including inflation

Mortality rates were based on the Pub-2010 Mortality Tables set-forward one year (except Active Employees) and are projected generationally with scale MP-2021.

**HOUSING AUTHORITY OF THE TOWN OF STRATFORD
NOTES TO THE FINANCIAL STATEMENTS (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2024**

NOTE 7 – RETIREMENT PLAN (CONT'D)

The long-term expected rate of return on pension plan investments was determined using a statistical analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the plan's target asset allocation as of June 30, 2024 are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Global Equity	37%	6.80%
Public Credit	2%	2.90%
Core Fixed Income	13%	0.40%
Liquidity Fund	1%	-0.40%
Risk Mitigation	5%	0.10%
Private Equity	15%	11.20%
Private Credit	10%	6.10%
Real Estate	10%	6.30%
Infrastructure & Natural Resources	7%	7.70%
Total	100%	

Discount Rate

The discount rate used to measure the total pension liability was 7.00%. The projection of cash flows used to determine the discount rate assumed that contributions from participating employers will be made equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all the projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Authority's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following projects the Authority's proportionate share of the net pension liability calculated using the discount rate of 7%, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6%) or 1-percentage-point higher (8%) than the current rate:

	1% Decrease (6%)	Discount Rate (7%)	1% Increase (8%)
Authority's Porportionate Share of Net Pension Liability	<u>\$ 2,941,815</u>	<u>\$ 2,050,834</u>	<u>\$ 1,300,112</u>

NOTES TO THE FINANCIAL STATEMENTS (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2024**

NOTE 10 – CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Authority receives a substantial portion of revenue from HUD. The Authority operates in a heavily regulated environment. The operations of the Authority are subject to the administrative directives, rules, and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress, or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost to comply with the change.

NOTE 11 – DATE OF MANAGEMENT'S REVIEW

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of the Authority through September 10, 2025, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor's Report

The Governing Body
Housing Authority of the Town of Stratford

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the business-type activities of the Housing Authority of the Town of Stratford as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the Housing Authority of the Town of Stratford's basic financial statements, and have issued our report thereon dated September 10, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the Town of Stratford's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the Town of Stratford's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the Town of Stratford's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the Town of Stratford's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

Independent Auditor's Report

Board of Commissioners
Housing Authority of the Town of Stratford

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Housing Authority of the Town of Stratford's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Housing Authority of the Town of Stratford's major federal programs for the year ended December 31, 2024. Housing Authority of the Town of Stratford's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Housing Authority of the Town of Stratford complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Housing Authority of the Town of Stratford and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Housing Authority of the Town of Stratford's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws,

statutes, regulations, rules and provisions of contracts or grant agreements applicable to Housing Authority of the Town of Stratford's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Housing Authority of the Town of Stratford's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Housing Authority of the Town of Stratford's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Housing Authority of the Town of Stratford's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Housing Authority of the Town of Stratford's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the Town of Stratford's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**HOUSING AUTHORITY OF THE TOWN OF STRATFORD
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2024**

NOTE A – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of the Authority under programs of the federal government for the year ended December 31, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, change in net positions, or cash flows of the Authority.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- (1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (2) Pass-through entity identifying numbers are presented where available.
- (3) The Authority has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE C – PROGRAM COST

The amounts presented as federal expenditures represent only the federal portion of the actual program costs. Actual program costs, including the Authority's portion, may be more than is shown on the schedule.
